My Kingdom, Thy Kingdom

Desiring God's Will / part three of a trilogy

There are only two kinds of prayer: natural and supernatural. It's not about whether we pray or not, but how.

In order to be sons-n-daughters of God we must be _____
to God's other children.

The truth is, we become _____ only by surrender and self-sacrifice.

Surrender isn't an act of _____, it's an impulse of _____.

Only when we let go of the things we desperately _____; will we receive
what we actually _____.

God's inviting us to surrender our _____ independence in
exchange for _____ dependence.

Conversations in Community

Use these questions in your Community Groups, GROWth Groups, with your family or your friends to give you practical ways to walk out Pastor Marty's message.)

Slowly (and reflectively) reread the Lord's prayer several times. MTT 6:9-13. (maybe find different translations you're unfamiliar with: NLT / NIV / NCV / MSG / ESV / KJV / etc.)

Did you notice anything you'd never seen before? Did anything stand out?

How does it help you understand the difference between your kingdom and God's kingdom?

In what areas of your life do you continue to choose resisting surrender to God's kingdom?

Think of examples of loveless willpower in your life, how did it strengthen your kingdom?

Mary, the mother of Jesus, gave her consent to God's will. What can you learn from Mary?
