

TEACHING NOTES for May 10th, 2020  
**#SBNR // You Are Welcome! Scripture Drive / Sharing**  
Pastor Marty Walker

**Scripture Driven and Sharing Styles: are both strongly "word-centered;" one centered on the personal application of It, and the other by passing It on.**

True spirituality begins in a relationship with God and moves \_\_\_\_\_, then extends to relationships with others, moving \_\_\_\_\_.

In our fragile brokenness, we've been set \_\_\_\_\_, not set \_\_\_\_\_.

When we think about Jesus, we do so using \_\_\_\_\_: person, place, thing; proper nouns: specific persons, places, things...with names!

The Son is \_\_\_\_\_ us and appeals to us through \_\_\_\_\_: "you may!" "you could!"

In the RED section we're connected in the \_\_\_\_\_ where God brings our \_\_\_\_\_.

We didn't **pick** our family; our brothers and sisters were \_\_\_\_\_ to us by our Father.

## **Conversations in Community**

**Use these questions in your Community Group, GROWth Groups, with your family or your friends to give you practical ways to walk out Pastor Marty's message.**

Pastor Marty said today, "Jesus supported both spiritual religion AND religious spirituality." He went on to describe what that means: how would you define these terms?

What would you say about the distinction between being spiritual and being religious?

Is there even a difference for you?

More specifically, how would you describe the *Christian* religion?

What makes it different from or similar to other religions?

How would you characterize your spirituality?
