## **Conversations in Community**

**Use these questions in your Community Group, GROWth Groups, with your family or your friends to give you practical ways to walk out today's message.**

What situations cause me to focus on prayer?

What situations have I waited too long to focus on prayer?

What was the difference when I started to pray?

How can we pray during BOTH the Joy and the Pain?

Jesus said in Matthew 18:19-20 that "together prayer" gets answers AND brings His presence.

When could I find time to pray with others?
