Will and Desire

Desiring God's Will / part three of a trilogy.

Pastor Marty Walker

God longs to give us our hearts desires. But to receive them, we must allow God's heart to become ours. We must learn to desire as God desires.

Walking out God's will could help get the things we deeply value but have been _____ up to this point.

God wants _____ as the choice of the _____.

Our deepest desires are usually fulfilled not in _____ but in our _____.

Once we have drunk deeply of _____, nothing else will satisfy our heart.

There is a **God-shaped** empty space within me that matches the _____-shaped empty space within God—my longing is answering His longing.

Only prayer can order a _____ inner life.
