

*If our heart's condition reveals our life's direction, then where is our life headed?*

Life in the Spirit

1. Self-\_\_\_\_\_

We assess our spiritual condition by examining our \_\_\_\_\_ fruit.

2. Heart \_\_\_\_\_

Good fruit comes from a heart \_\_\_\_\_ by God.

3. Life \_\_\_\_\_

A \_\_\_\_\_ heart always leads to a new direction.

4. Daily \_\_\_\_\_

There's a \_\_\_\_\_ behind the words we use.
