Stewardship 101 // Pastor Marty Walker

Everything in the Bible, including stewardship, makes sense—becomes relevant—when we acknowledge God is the Creator.

STEWARDSHIP:
*the position and duties of a **steward**, a person who acts as the surrogate of another or others, especially by managing property, financial affairs, an estate, etc.*

LORD:
*a person who has authority, influence, control, or power over others; a master, chief, or ruler
a person who exercises authority from property rights; an owner of land, houses, etc.*

As the Creator, God has _____ ownership rights over all things.

The biblical doctrine of stewardship defines our _____ to God.

Stewardship defines our _____ in this world, as assigned to us by God Himself.

God is the master of a great _____; we're administrating it as stewards.

Stewardship is our obedient witness to God's _____.

Stewardship acknowledges in _____ that we don't have the right of control over ourselves or our property.
