You Can Trust God Because He Can Do Anything

Sometimes this is a difficult truth for us to believe. It's difficult because sometimes, God doesn't do what we want. And we ask, "if God can do anything, why doesn't He do this one thing?!"

Take a few minutes to write out one situation in your life (right now or in the past) where you felt this way—one time where you wondered if God really could do anything... because He didn't do what you wanted:

Over the next few days think about God's power and why He may or may not do what we want. But for today, spend a few minutes talking with God about the time you just wrote about.

Ask Him why. Spill out your feelings to Him. (He can take it!) And if you can, tell Him you know you can still **trust Him because He can do anything!**
