

TEACHING NOTES for May 3rd, 2020  
**#SBNR // You Are Welcome! Sensory / Rational**  
Pastor Marty Walker

**Sensory & Rational Styles: those who reflect the earthliness of Christian Spirituality - a relationship with God through relationship with God's creation.**

True "spirituality" is a \_\_\_\_\_ with God; an awareness of the Spirit's movement in our lives.

It is time to **reclaim** the role of the Church in the bringing people \_\_\_\_\_ to God.

When we think of God the Father, we do so using \_\_\_\_\_ (descriptive words; attributes; all-powerful / all-knowing / every-present).

The Father is \_\_\_\_\_ us and appeals to us with commands: "you shall!" & "you will not!"

In the green section we're connected to the \_\_\_\_\_ as God speaks through all \_\_\_\_\_.

## **Conversations in Community**

**Use these questions in your Community Group, GROWth Groups, with your family or your friends to give you practical ways to walk out Pastor Marty's message.**

What does a spiritual person look like?

What does a pursuit of spiritual passion look like? (*that is not unnatural, but authentic and alive*)

Do you express your faith according to your God-given style? Do you know your style?

Dallas Willard said, "*Spirituality wrongly understood or pursued is a major source of human misery and rebellion against God.*"

What do you think he means by this?
